WORK EXPERIENCE

National Youth Services Corps (NYSC)
Teacher
Beljosh International School
Oct 2021 - Oct 2022

Curriculum Implementation:
- Deliver lessons based on the approved curriculum for the assigned subject or grade level.
- Ensuring that curriculum objectives are met through effective teaching strategies.

Lesson Planning:
- Develop detailed lesson plans that align with the curriculum.
- Include clear learning objectives, activities, assessments, and resources in lesson plans.

Assessment and Evaluation:
- Design assessments (tests, quizzes, assignments) to measure students' understanding.
- Maintain accurate records of students' academic performance.

Student Engagement:
- Engage students actively in the learning process through discussions, group activities, and interactive teaching methods.

Extracurricular Activities:
- Organize or participate in extracurricular activities such as clubs, sports, and cultural events.
- These activities contribute to students' holistic development.

Safety and Well-being:
- Ensure the safety and well-being of students during school hours and activities.

Web developer
Primatech Innovation
Apr 2021 - Sept 2021

- Assisted in building and refining frontend components using HTML, CSS, and JavaScript.
- Participated in code reviews and collaborated with senior developers to improve code quality.
- Gained hands-on experience in working with various frontend frameworks and libraries.

EDUCATION

B.S.C in Biochemistry

ODUDUWA UNIVERSITY, IPETUMODUN, Osun state - Ife (Jan 2017 - Aug 2021, 4 years)
